

The LORD is my rock, my fortress and my deliverer; my God is my rock, in whom I take refuge, my shield and the horn of my salvation, my stronghold.

Can You Go Home Again?!!

Dear Friends:

It is amazing to be returning to Summit after 27 years being away. It was July 1, 1997, when I became General Presbyter and Stated Clerk for the Presbytery of the James. I retired from that position in December, 2018 and have been serving congregations since that time - - particularly congregations between pastors. I have flunked retirement miserably! But it is good to be back among you. I am sure there are lots of folks I have never met and many familiar faces as well. Feel free to "introduce yourself" (particularly those who were here when I was here) as we begin this journey together. We all have changed in over a quarter of a century!! I live in Richmond and will be at Summit on Sundays, Tuesdays, and Thursdays each week. Glad to see folks at the office or come to your home or meet you for coffee or a meal. It will be good to renew relationships and make new ones. I am very grateful for the great ministry Dan had at Summit. He has made quite a difference and will be sorely missed. Blessings on all of us as we see what God has in store for our time together.
